

**Dear INCOSE Crossroads of America Chapter:**

I have a two-part request for you related to 2020 Chapter Elections.

First, further below you will find a docket of candidates to serve as your 2020 Leadership Team. Please respond to Bart Addis & Everett Lewis (2020 Nominations Committee), Ray Deno (President) and Chris Hoffman (Secretary) ([bart.l.addis@cummins.com](mailto:bart.l.addis@cummins.com), [Everett.T.Lewis@rolls-royce.com](mailto:Everett.T.Lewis@rolls-royce.com), [rmdenoincose@gmail.com](mailto:rmdenoincose@gmail.com), [diesel\\_chris@me.com](mailto:diesel_chris@me.com)) to cast your vote. You may simply reply "Yes to All". It is important that you cast your vote before 5PM Friday the 22nd of November 2019 so that we can ensure a continuous flow of business from 2019 into 2020.

Secondly, the Board has agreed for a variety of good reasons that we really do want to add the position "President Elect" to our Leadership Team for 2020. The President Elect would support the President and the Chapter for a given year with the intent of becoming the Chapter President in the following year. To date, no nominations have been received for this position which is where we are requesting your help. If you or someone you know is a good candidate for this position, please submit those names as well. After nominations are received we will conduct a supplemental special election to fill this position.

The 2020 chapter leadership positions to be filled through election are:
